Curriculum Enrichment

Description about Cross-cutting issues in Curriculum Enrichment

- A] Curriculum
- B] Curriculum Enrichment
- C] Cross cutting issues
- D] Importance of Cross cutting issues in Curriculum Enrichment
- E] Cross cutting issues relevant to Professional Ethics.
- F] Cross cutting issues relevant to Gender.
- G] Cross cutting issues relevant to Human Values.
- H] Cross cutting issues relevant to Environment.
- I] Cross cutting issues relevant to Sustainability.

[A] Curriculum - HEI is an affiliated college. The Curriculum is set by the University of Mumbai. The Curriculum is the expectations for what will be taught and what student will do in programme of study. It includes teacher made materials, text books, and reference Book lets and relevant topic

[B] Curriculum enrichment - To offer advanced students to a chance to expand their knowledge of the material they have already learned.

[C] Cross cutting issues - These are topics identified as important and that affects and cut across most or all aspects of development of curriculum.

[D] Importance of cross cutting issues in Curriculum Enrichment- These issues, themes, topics can be an effective tool for explaining how targeted impact on project areas can also have a much wider effect. These are a set of overarching big ideas that look and behave similarly across all domain areas.

[E] Cross cutting issues relevant to Professional Ethics - Learners should know the principles that govern behavior of a person or group in a social-business environment. It includes the competence, knowledge, conscientiousness, integrity, Respect, Emotional intelligence, Knowledge, Appropriateness and confidence. By finding ways to strengthen each of these attributes, student can become confident to act professionally wherever he/she find himself/herself working.

In Curriculum, The professional Ethics acts as a set of Standards adopted by a professional community. It is regulated by the codes of ethics.

[F] **Cross cutting issues relevant to Gender**- Gender bias is the gender inequality. It is crime against humanity. The Gender equity prevents violence against women and girls. Gender equity is good for the economy, it is a human right. Gender equity makes our communities safer and healthier. Equality in Gender through curriculum, through education is important for social awareness. The inclusion of gender, gender equity, and gender awareness in curriculum improves the perceptions & justice, trust among society living in healthier and more cohesive societies.

[G] **Cross cutting issues relevant to Human Values** - These are the features that guide students, people, society to take into account the human elements when one interacts with other human. They have many positive characters that create bonds of humanity between students, society and thus have value for all human beings. Human values are most important in life of students, such as - Honesty Integrity, Love and happiness. These human values in curriculum shape the students into their authentic self and give students a sense of purpose and meaning to lead student life.

[H] **Cross cutting issues relevant to Environment** – Environmental education is crucial for several reasons. First and for most, it helps students to develop a sense of responsibility towards the environment. Students learn about the importance of reducing waste, conserving energy and preserving the natural resources, use of solar energy like renewable energy sources, waste management, waste segregation, water conservation and so on.

[I] **Cross cutting issues relevant to Sustainability**- Education for Sustainable development consequently promotes competencies like crucial, critical thinking, imagining future scenarios and making decisions in a collaborative way. Education for sustainable development requires far-reaching changes in the way education is often practiced today. ESP-Education for Sustainable development gives learners the knowledge, skills, values and agency to address interconnected global Challenges.

HEI organized 10 sessions for cross cutting issues related to curriculum Enrichment. It includes about professional ethics, Gender, Human Values, Environment and sustainability. It was carried by resource from MOU institutes under faculty Exchange programme. Almost all students of HEI benefited.
