3.2.1 Institute has created an ecosystem for innovations and initiatives for creation and transfer of knowledge.

M.M.Jagtap College of Arts, Science and Commerce Mahad-Raigad provides and reaching ecosystem for inculcating research on innovative approach amongst the students and staff by taking several initiatives for creation and dissemination of knowledge at management and college level through financial technological and infrastructure support and faculty level by providing platform through events program seminar workshop skill base courses and research publications for creation and transfer of knowledge.

The details are as under:

Research Infrastructure: M.M.Jagtap College of Arts, Science and Commerce Mahad Raigad demonstrated a remarkable commitment to fostering research and innovation within its academic community. A testament to this dedication was the organization of a highly impactful national conference, where the college served as a platform for the exchange of knowledge and ideas. This conference facilitated the publication of research papers in AJANTA and International Journal of Advanced Research in Science, Communication & Technology (IJARSCT) authored by both the colleges own esteemed faculties and talented students, as well as scholars from various other institutions. By showcasing the diverse range of research topics and perspectives, this event not only highlighted the college's role in driving academic advancement but also emphasized its collaborative spirit in promoting scholarly discourse and growth. In this vibrant atmosphere of intellectual engagement, M.M.Jagtap College of Arts, Science and Commerce Mahad-Raigad not only nurture its own student's thirst for knowledge and innovation but also contributed to the broader academic community.

Academic Year 2022-23: In this Academic year the collaborative efforts between students and faculties of M.M.Jagtap College of Arts, Science and Commerce Mahad Raigad to publish Research papers in the IJARSCT was driven by several key objectives. By involving both students and lecturers in the research and publication process, the college sought to cultivate an environment that encourages intellectual curiosity, critical thinking and academic exploration.

Academic Year 2021 -22 : In this Academic year the collaborative efforts between students and faculties of M.M.Jagtap College of arts science and Commerce to publish Research papers in the Ajanta was driven by several key objectives. By involving both students and lecturers in the research and publication process, the college

Sought to cultivate an environment that encourages intellectual curiosity, critical thinking and academic exploration.

Academic Year 2022-23: In this Academic year the collaborative efforts between students and faculties of M.M.Jagtap College of Arts, Science and Commerce Mahad Raigad to publish Research papers in the IJARST was driven by several key objectives. By involving both students and lecturers in the research and publication process, the college sought to cultivate an environment that encourages intellectual curiosity, critical thinking and academic exploration.

Awareness on IPR : We have conducted sessions on awareness on IPR. Faculties and students participated in that workshops. The objective of the intercollege session conducted in the year 2022-23 was to introduce both students and faculties of Shri M.M.Jagtap College of Arts, Science and Commerce Mahad-Raigad to the essential concepts of Intellectual Property Rights (IR) and their profound relevance in the field of entrepreneurship. By establishing a foundational understanding of IPR, participants were equipped with the necessary knowledge to protect their innovative ideas, creative expressions and proprietary knowledge in the entrepreneurial journey. The session aimed to develop a culture of innovative thinking among attendees. By explaining the significance of IPR, the objective was to inspire participant to think creatively, generate novel ideas and develop solutions that have the potential to be transformed into valuable intellectual property assets. The linkage between IPR and entrepreneurship was emphasized, encouraging participants to recognize the role of intellectual property in shaping successful business ventures. The aim of the session was to educate attendees on the various types of IPR.
