4.2.1 Library is automated using Integrated Library Management System (ILMS), subscription to e-resources, amount spent on purchase of books, journals and per day usage of library.

Library is a knowledge resource for the college. Libraries play an essential role in student-teacher communication. Library is partially automated with digital facilities using e-Granthalaya software, which is an open-source integrated library system. Library provides access to information and resources, supporting literacy and education, promoting lifelong and scoring as community gathering space for learners, intellectuals.

The library is situated on third floor of the college building and is easily accessible from all corners of the college premises. The college library serves as a portal to information and offers a fundamental basis for lifelong learning, independent judgment, and the cultural development of both students and faculties.

Library automation is done with e-Granthalaya software system. Library uses an integrated Library Management System (ILMS) with e-granthalaya software. Library has tremendous e-resources. It has an open Education resources Database as Swayam, Swayamprabha, NDLI. Library is a member of NDLI - National Digital Library of India.

Open access for e-Journals is over 100s.E-Journals are available with free access. There is no need to expense the subscription.

Library has subscriptions of English (The Times of India), Marathi (Maharashtra Times) and local newspapers. On one hand NAAC promotes ICT and second hand to ask for hard copies and subscriptions. College library promotes the NAAC guidelines of ICT & advanced internet facilities. Library promotes the open access of journals, newspapers, databases, reference books and all types of study material.
