

3rd Criteria summary

Research, Innovations and Extension: -

- We acknowledge that research collaboration is not up to the mark. The reason being that we are surrounded by Chemical products industries. Given the content of science syllabi there is limited scope for providing research input to these enterprises. Nevertheless, we acknowledge that there is no scope to source grants from non-governmental agencies for research.
- In order to inculcate research culture among students and to encourage them to think of original and novel ideas, we promote their participation in university research convention and field visits.
- Number of research papers in notified journals, number of books and chapters published; papers in national and international conferences are woefully below expected mark.
- Number of linkages for internships, field trips, on the job training and research has stagnated below 7 all through the five years which needs to be uplifted substantially.
- 20 number of functional MOUs with Institutes, NGO and industries has in the last 5 years.
- Our extension and outreach activities through NSS have registered satisfactory collaboration with community and non-governmental organizations. So also, the average percentage of student's participation is commendable at 43%
- College has organized extension activities in the society through NSS. HEI has organized average 31 social activities in regular NSS while 08 social programmes in special camping of NSS volunteers. In 2021-22, 20 regular activities and 05 main activities of NSS. The extension activities continue by NSS in college in 2020-21 there are only 05 activities because of pandemic situation. In 2021-22 the NSS activities are 16 in regular NSS and 07 extension activity in special camp of students. In 2022-23, the social activities are 18 in regular and 07 activities in special camping. The activities are as Swatch Bharat Abhiyan, Azadi ka Amrut Mahotsav, save environment, and voters awareness programme and so on. These are mostly in the community as well as outreach activities.
