4th Criterion

Institute tried to maintain adequate infrastructure and physical facilities. It includes – Principal office. Administration office, staffroom, classrooms. Examination Room, Library, Gymkhana, Girls common room, NSS room, Auditorium, NAAC/IQAC room, washroom for students, staff, specialised washroom for disabled students, Drinking water facilities, Ramp and outdoor sports ground. About 25.71% of expenditure excluding salary for infrastructure augmentation during last five years. Library is knowledge resource for HEI. It Provider has 1750 reference books 2500 text books Question papers sets for to B. Com /B.Sc./BA I, II, III are of previews 3 years. Library subscribes 03 newspapers daily. The library has seating capacity for 30 students.

Institute provides ICT facilities to teachers, to the students. ICT facilities is useful to every stakeholder. HEI Provides ICT facilities to students, teachers, alumni, parent and governance., HEI regularly update the information to students as well as teachers.

Frequent upgradation of the ICT facilities by HEI are-Network equipment, computing facilities, Electricity, CCTV for protection and security, ICT services for data back, ICT classroom, ICT enabled laboratories, data backup, WIFI services and Internet Services of 10 maps is available in HEI for every Stake holder.

The student: computer ratio is 242 students: 10 PCs. It means it is 1 PC per 24 students. NAAC expects minimum 1: 5 ratios. This HEI has maintained the same. (In B. Com/B.Sc/BA.

University of Mumbai not suggested computers for UG students. However as social obligation this institution got 24 students as to 1 PC.)

There is above 25.71% expenditure incurred on maintenance of Infrastructure such physical facilities and academic support facilities. It shows the HEI has focus on infrastructure maintenance and ICT facilities of the Institute.
